Why Book with Blue Seas Cruises

Reputation and quality

When you book with us you are assured of quality travel arrangements and we only work with the very best Tour Operators, all of whom are financially regulated and you are protected through schemes such as the ABTA and ATOL regulations.

Personal service

We bring you a very personal service and one that you can't get elsewhere as you will get detailed service and product knowledge from us or our partner Tour Operators, impartial advice and you are guaranteed not to pay any more than going direct and you may even spend less, than going direct. With so many worldwide trips to choose from, selecting between different travel providers can be daunting. As impartial agents we are able to negotiate and secure the best rates from multiple operators so we can provide you with the very best trip and because we partner so many different operators, you can be sure that we can discuss your personal needs and styles to each operator we deal with, year in, year out. We are - your personal travel advisor.

As seasoned travel professionals we are often able to secure travel arrangements at better rates than are available to the general public.

When we do not know the answer to a question we will endeavour to find out and get back to you as soon as possible through our travel industry contacts both in the UK and overseas.

Quality service when you are travelling

We take a good deal of care when choosing our travel partners overseas, taking into account their quality of service. You will be looked after overseas by our partner operator ground staff, but we are also always available at the end of a phone/email should you run into any difficulties.

Detailed travel documents

Approximately two to three weeks before you travel we will send you all your travel documents. A few days before you travel we will call you to have a final talk through your itinerary and answer any last minute questions you may have.

Legal liability

We are a UK company and hence must fully comply with English law. When booking with us you can rest assured that your arrangements are carefully planned as we have a reputation to maintain and are legally liable for any omissions or negligent acts. You may not find you have this level of reassurance if you make your own travel arrangements independently.
